GREAT JOB GUYS

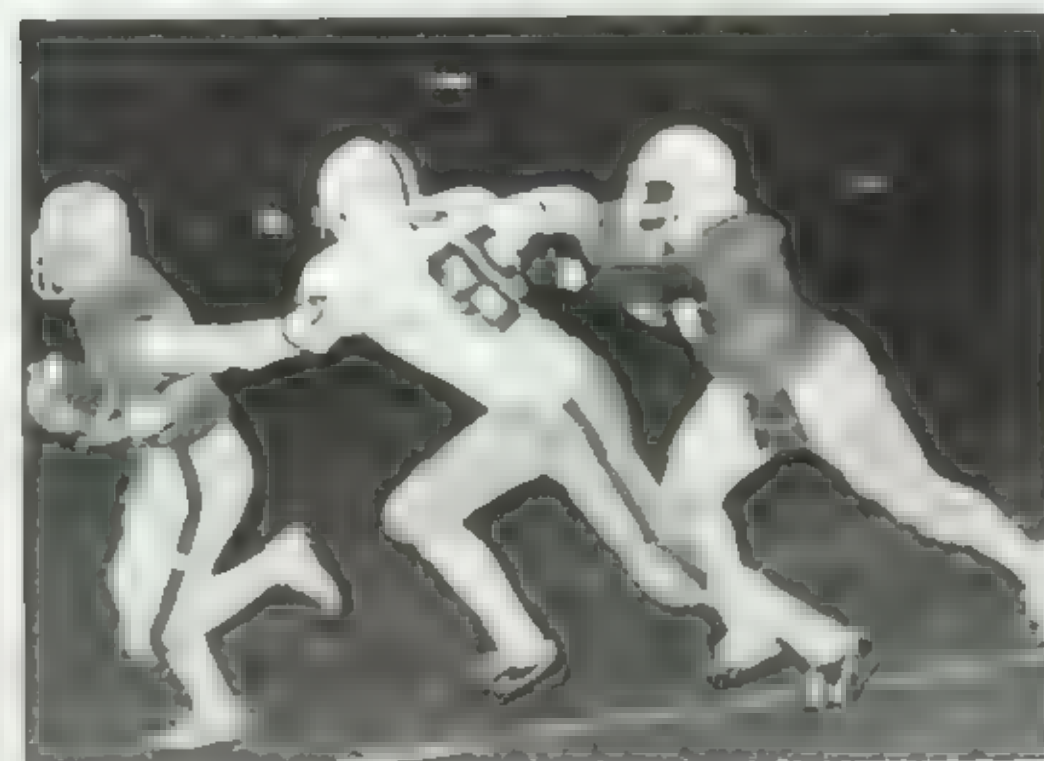

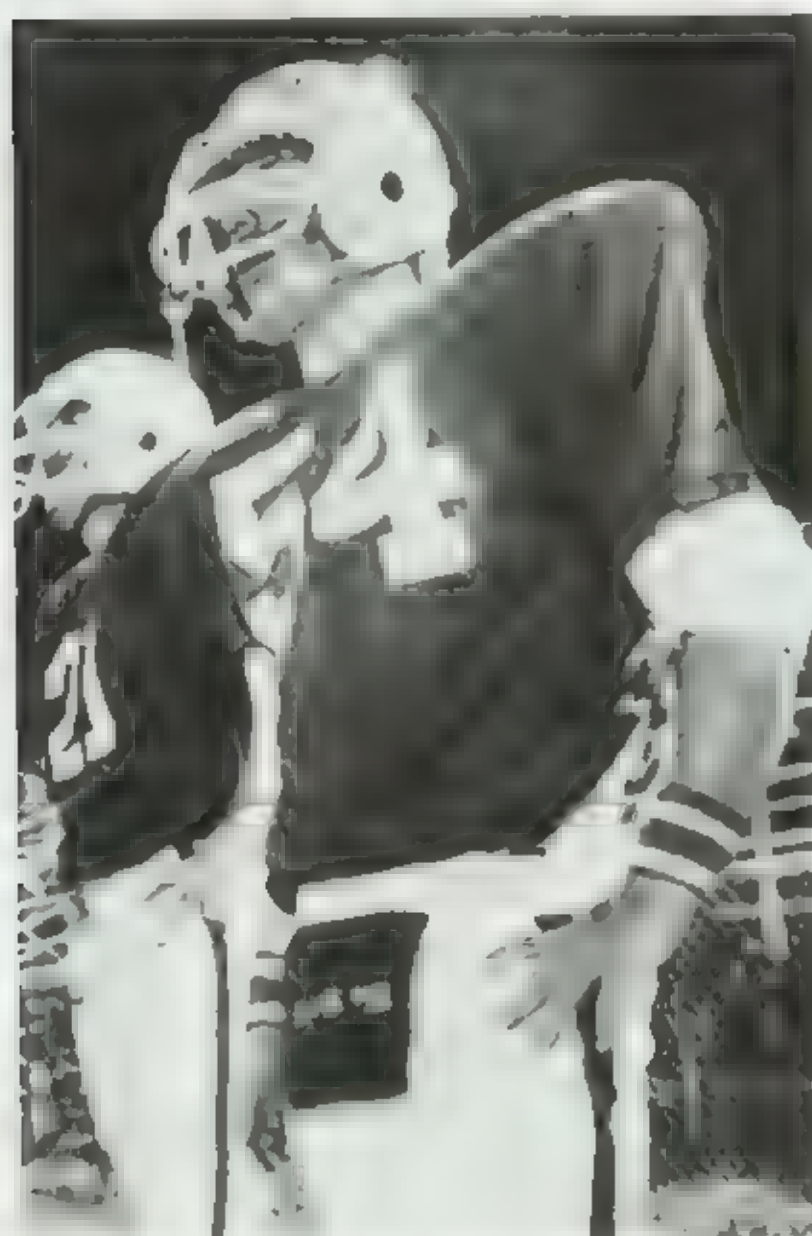

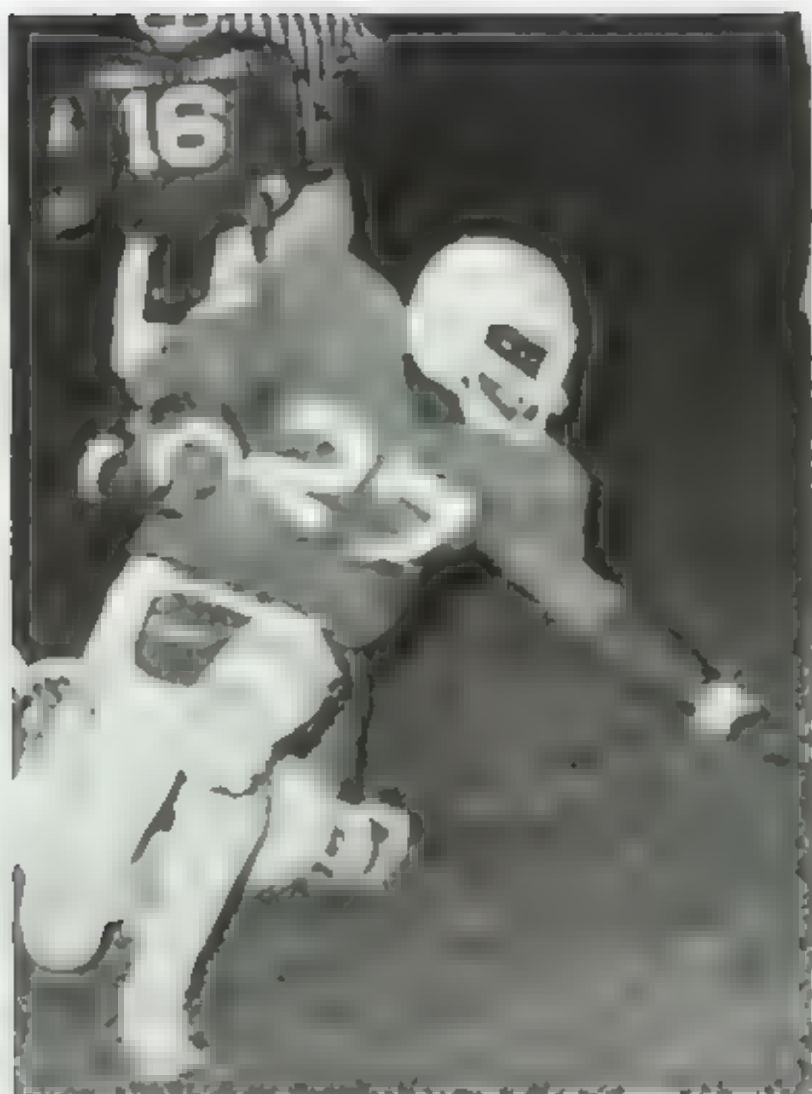

## VARSIY FOOTBALL

The 1982 Middletown Cavaliers had a very successful season. The opening game of the season was a loss to St. Elizabeths. The Cava, however then defeated Cape Henlopen and Dickinson on their own field. Next, Middletown traveled to Glasgow where they played a very close game but were defeated. Not to worry because the Cavaliers whipped both Mt. Pleasant and Wilmington at away games. Even though Claymont defeated Middletown. The Cava showed who was boss against Howard and McKean, which were both home games. The last game of the season became a heartbreaker with A.I. d DuPont winning. The Cavaliers are sure to beat them next year!!!

### A Look Back At MHS 1983

From the guy who's most likely to succeed  
To the guy who finds it tough to read  
The guy who parties himself into the ground  
The musician who cares only about the sound  
The basketball players and flashy dancers  
The folks who think they've got all the answers  
The guys that are loud and think they're a riot  
The ones who love peace and quiet  
The sexy young girls who give you a smile  
and keep you wondering all the while  
The guy who's lost without his transistor  
The guy whom you wouldn't trust with your sister  
The cheerleaders who jump and wave pom-poms  
The guy that always rank on your mom  
The crazed wild animals who played football  
The vandals who paint their art on the wall  
The ones you love and the ones you hate  
The ones you're too shy to ask on a date  
All of the bad times and all of the good  
I'd still do it again if I could  
Our time at MHS we will always remember  
Because we won't be back next September
